

# HIS LIFE

---

What is life for a megastar like Michael Jackson really like? The records he's recorded, the awards he's received not to mention his numerous other achievements all go to prove that his life was blessed with a special talent and a unique gift. For his fans and the media, the glamour and secrets of Michael's private life are as fascinating as his professional career.

People find nothing quite so interesting as the private lives of public personalities. With his self-confident persona and his sexual energy on stage - Michael Jackson epitomises a life filled with relationships, wealth and fame that so many of us dream of.

**Michael's dream of having his own kids became reality. He cared lovingly about his children Prince and Paris.**

The history of Michael's female relationships reads like a who's-who of the rich and beautiful. In 1977, at the age of 19, he fell in love with the actress Tatum O'Neal. Tatum, the daughter of Ryan O'Neal had a difficult childhood and Michael, who also had a difficult upbringing, was immediately attracted to the young Oscar winner. According to Michael's sources, Tatum was his first true love. The pair met during 1975 at a party hosted by Paul McCartney and were inseparable, until their split in 1979 at another party this time thrown by Rod Stewart.

Another of Michael's girlfriends was the actress Brooke Shields, whose public image benefited from this relationship. Brooke accompanied Michael to a number of important ceremonies, such as the entry of his mega seller "Thriller" into the Guinness book of records. Once again the secret of their relationship
